

# CAREER GUIDANCE, TRAINING & PLACEMENT

### Career Guidance, Training, Placement

Provide Career guidance & workshops apart from soft-skills training provided by Training & Placement Cell.

**Career Guidance:** Effective career guidance services are provided for graduates to discover their strengths and weakness before venturing out into highly competitive world including counseling for higher studies.

The objective of career guidance cell is to organize seminars on interview skills, personality development, communication skills, leadership skills, resume writing, analytical skills, Quantitative ability, Verbal and reasoning skills essential to all competitive exams.

#### **Activities for career guidance cell:**

The Placement & Training Cell liaises with TASK to provide training in soft skills, personality development, Presentation skills, Group discussions, Aptitude and facing the interview board. The cell, after constant interaction with industries, gives feedback on the value added courses to be offered for various branches of Engineering.

The Placement Cell arranges for Campus Recruitment by leading Companies through continuous Industry Institute Interaction, Company visits and excellent Partnerships. Coordinates with Industries for enhancing employability through intense Training in appropriate skills. Students are referred to different Companies as well, for undergoing In-plant Training, Internships and for acquiring Practical Knowledge through exposure to industry environment; e.g. CISCO, Imaraat construction, Infosys, Golconda textiles etc. The Cell motivates and counsels the students to realize their potential.

The career guidance Cell promotes the interests of students who wish to pursue higher education after their undergraduate studies. The Cell conducts programs to:  
Create an interest in higher education as a necessity to meet career aspirations that a student can potentially achieve.

Make the students realize the prospect of higher studies and guide them to identify their area of interest, course, college and university within India and abroad  
Provide students with up-to-date information about their career growth and kindle their interest towards investing in hard work, optimum use of time and financial resources to shape their future  
Provide guidance to prepare and approach such examinations confidently.

### MINI-PROJECT/PROJECT

In order to encourage the students to perform the experiments beyond the curriculum & to support the students to have repetition of experiments students are advised to utilize the lab to carry out mini project/project etc. thus activities like Techno Vision is conducted. Techno Vision is an annual event where students of Diploma, UG & PG showcase their technical talent through various innovative models and exhibits. Students actively participate in all the events and present their work. Events like technical expo, fun events like gaming, food stalls and many more events are organised. The winners are awarded and participants are given participation certificates. Techno vision has been started since 2017-18. The annual event was conducted in 2018-19 and 2019-20 as well. However in the 2020-21 AY the Techno Fest is scheduled in the month of June 2021 if the pandemic situation permits.

# SPORTS AND CULTURAL ACTIVITIES

### SPORTS & CULTURAL ACTIVITIES

For the well being and physical fitness of the students Nawab Shah Alam Khan College of Engineering & Technology provides several sports facilities outdoor as well as indoor games. Sports activities are an integral part of student's career. Our college believes that providing sports remove student's mental exhaustion. The students have shown great interest in outdoor games. Due to these extra curriculum activities students of Nawab Shah Alam Khan College of Engineering & Technology get the platform to explore their talent and excel in it. Our college celebrates Sports Day and students participate in various sports and games like table tennis, cricket, chess, caroms, volleyball, football, basketball, badminton, rangoli, mehendi and painting and the winners are awarded prizes. Regular training is provided in the campus in order to exhibit their talent in a particular sport and game for the individual or group of students. Under the guidance of Mr. Akeem Mohammed, B.P.Ed, (pursuing M.P.Ed) the Physical Director of the college. Students of our college participate in various level of competition including intra college events, inter university events, national events and international events. All the participants are awarded participation certificates. The sports events could not be conducted in the year 2020 due to the COVID 19 Pandemic.
