

### 9.3. Feedback on facilities:

The Institute has a process of collecting the feedback from students every semester on various facilities like Infrastructure, Laboratory, Maintenance and Library etc., the process of feedback collection is through online and suggestion box, and then forwarded to principal office after analysis in order to take the corrective measures.

The analysis process involves the following steps.

- The feedback analysis is done manually
- The feedback committee scrutinizes collected feedbacks.
- The feedbacks are quantified where all the parameters mentioned in the feedback form are analyzed.
- The analysis done based on the number of Positive and Negative responses by applying ranges of percentages as shown below.

Response	Range	Rubric
No. of Positive Response	75%-100%	3
	55%-74%	2
	35%-54%	1
	<35%	0

- After the analysis, complaints are forwarded to the principal office in order to take the corrective measures.

The below table shows the Feedback form on Facilities
