ENTREPRENEURSHIP CELL

This cell helps the students in identifying entrepreneurial opportunities by conducting surveys and business opportunities.

FUNCTIONS OF THE CELL:

To invite renowned guests from small and large scale industries and organize orientation lectures. To visit nearby localities and promote entrepreneurial education to the students. Students are encouraged to utilize college facilities and laboratories in addition to their prescribed course of studies

MOTTO:

The institution has set up entrepreneurship cell which organizes interactions for motivating and encouraging students for entrepreneurship. The institution plans with technocrats and businessmen, and organizes industrial visits for respective field of specialization to gain practical knowledge. The cell also organizes interactive talks delivered by industrial executives and experts to instill entrepreneurship spirit and zeal amongst students. It encourages the students to think creatively and innovatively and guide them in their projects. The main policy of the institution is to create awareness and promote entrepreneurship skills among students. It is to encourage the staff and students to involve themselves in innovative practices and various researches which in turn lead to research publication.

What is real passion

- Examples of pure passion
- HOW
- People rarely succeed unless they have fun in what they are doing.

Route cause of problem .

- Engineering is not done for passion now a days
- Lack of real understanding of engineering
- Hunger for new inventors & problem solving
- Lack of observation around
- No Proper source of knowledge
