

CAREER GUIDANCE, TRAINING & PLACEMENT

Career Guidance, Training, Placement

Provide Career guidance & workshops apart from soft-skills training provided by Training & Placement Cell.

Career Guidance: Effective career guidance services are provided for graduates to discover their strengths and weakness before venturing out into highly competitive world including counseling for higher studies.

The objective of career guidance cell is to organize seminars on interview skills, personality development, communication skills, leadership skills, resume writing, analytical skills, Quantitative ability, Verbal and reasoning skills essential to all competitive exams.

Activities for career guidance cell:

The Placement & Training Cell liaises with TASK to provide training in soft skills, personality development, Presentation skills, Group discussions, Aptitude and facing the interview board. The cell, after constant interaction with industries, gives feedback on the value added courses to be offered for various branches of Engineering.

The Placement Cell arranges for Campus Recruitment by leading Companies through continuous Industry Institute Interaction, Company visits and excellent Partnerships. Coordinates with Industries for enhancing employability through intense Training in appropriate skills. Students are referred to different Companies as well, for undergoing In-plant Training, Internships and for acquiring Practical Knowledge through exposure to industry environment; e.g. CISCO, Imaraat construction, Infosys, Golconda textiles etc. The Cell motivates and counsels the students to realize their potential.
