Sub: REPUBLIC DAY CELEBRATION

A day of pride, the national republic day, is celebrated every year to **commemorate the Indian Constitution** which came into effect on this day in the year 1950, three years after India got independence from British rule. It is also the day when India declared Purna Swaraj from the British rule in 1930. This day is observed with **celebrations that happen in the country's capital, New Delhi, with an incredible parade, presided over by the President of the country.**

Republic day was celebrated with great enthusiasm in our college. All the teaching and non-teaching staff members participated in this celebration. The program started with the flag hosting at 9:30 am by Principal Sir. The National anthem was sung by the participant and teachers, followed by speech on the constitution of India, after that sweets were distributed to students and all actively participated.

Sub: Women's Day Celebration-*"Women are the real architects of society."*

The Women's day honors the voices that go unheard, the rights that are dominated and the tears that go unnoticed. Even today, there are millions of women around the world who are either speechless or are struggling hard to secure their rights. The discrimination and inequality is still every prominent, especially in developing and backward countries .despite all pessimism, International Women's Day is a special day dedicated only to women and their role in our lives. Culture and ethnicity has given a new dimension to this day. The true essence of the day lies in identifying the rights and power of women and giving them a stature that they deserve.

For the event, all the staff of NSAKCET attended to make the event livelier. Mrs. Asima Parveen, Associate Professor in English said women in many countries are becoming more responsible, and deserve respect, love, care and happiness. The empowerment of women had a great impact in their life. On this occasion staff and 60 students of different branches have participated.

Sub: EYE CHECK UP CAMP

An Eye Checkup camp was held in College on Monday, October 18, 2021. A team of Eye specialists from VISITECH Eye Centre, Delhi came to do eye checkup of the students and the camp was advantageous for the students as they got an opportunity to know more about various aspects of eye care. The doctors brought well-equipped eye examination tools to examine the students effectively. They also spoke to the students about how to increase awareness and improve access to eye healthcare services. The objective of this event was to spread awareness on eye disorder, their early detection and detect refractive errors and eye ailments among students.

The students also asked the queries they had in their mind which were solved by eye specialists. Attendees with eye problems requiring continued medical attention were given referral slips. The camp turned out to be very beneficial for our students.

Sub: PROGRAM ON POSITIVE ATTITUDE

NSAKCET has organized Lecture on Positive Attitude at seminar hall by Prof.S.Amberh Babu of Civil Dept., He has shared his experience and given guidelines to all the members regarding Importance of Positive Attitude in Life. His opinion on a positive attitude is not just about sporting that smile on your face every time, it is more than that. It is about maintaining that optimistic mindset and attitude even when things are in utter chaos.

At last Dr Farooq Anwar, Dr SanaUllah Qaseem share their views with best examples to stay positive in life, and always be a positive mindset will help you sail through the difficult phase easily. Resolve to be cheerful, no matter how the situation is. If things are not working in your favor, instead of fretting, work towards your goals with a positive attitude and you will see amazing results soon!

Sub: Teacher's Day Celebration

In 2019, Teachers' Day celebrated teachers with the theme, "Young Teachers: The Future of the Profession." The day provided the opportunity to celebrate the teaching profession worldwide, to take stock of achievements, and to address some of the central issues for attracting and keeping the brightest minds

NSS unit organized a TEACHER'S DAY CELEBRATION PROGRAM in our campus on 05-09-2019. In this program our college staff and students have actively participated. The goal of celebrating this day is celebrated as a mark of tribute to the contribution made by teachers to society. It is the day on which Dr. Sarvepalli Radhakrishnan was born in the year 1888.

Sub: PADA YATRA ON OCCASION OF 150TH BIRTHDAY OF MAHATMA GANDHI

A padayatra (Sanskrit: पादयात्रा, Romanized: pādāyātrā, lit. 'journey by foot') is a journey undertaken by politicians or prominent citizens to interact more closely with different parts of society, educate about issues concerning them, and galvanize his or her supporters.

The core concept of a padayatra is the act of walking. Various religions including Hinduism, Buddhism, Christianity, Islam and Taoism propound walking as a form of meditation in action. The nations of the world are thus strewn with numerous pilgrim routes—a historical testimony to the role of walking in humanity's pursuit of the inner truth.

Our Institute has organized this event on 2-10-2019, around 180 students and staff had participated in this event to make this successful

Sub: VOTERS AWARENESS PROGRAM

Voters play a central role in shaping the government and their futures. Nobody can force a citizen to vote. But many citizens do vote because voting lets them tell the government what they want it to do. Voter registration is the requirement that a person enrolls on an electoral roll before they will be entitled or permitted to vote. Such enrolment may be automatic or may require applications being made by the eligible voter.

In order to bridge this gap, our college has conducted an awareness program for the students so that they can know about their registration status and polling centres. On 21-01-2020. In this program our college staff and students have actively participated. The main purpose of the National Voters' Day celebration is to encourage, facilitate and maximize enrolment, especially for the new voters.

Sub: REPUBLIC DAY CELEBRATION

A day of pride, the national republic day, is celebrated every year to **commemorate the Indian Constitution** which came into effect on this day in the year 1950, three years after India got independence from British rule. It is also the day when India declared Purna Swaraj from the British rule in 1930. This day is observed with **celebrations that happen in the country's capital, New Delhi, with an incredible parade, presided over by the President of the country.**

Republic day was celebrated with great enthusiasm in our college. All the teaching and non-teaching staff members participated in this celebration. The program started with the flag hosting at 9:30 am by Principal Sir. The National anthem was sung by the participant and teachers, followed by speech on the constitution of India, after that sweets were distributed to students and all actively participated.

Sub: Women's Day Celebration

A landmark celebration, this year's Women's Day theme is #EachforEqual, which focuses on a gender-equal and enabled world.

Women's rights is defined as the freedoms, liberties and opportunities that women have, especially the opportunity to be treated equal to and given the same legal rights as men. An example of women's rights is having the option to work at a job outside the home or to vote

We are very happy to inform you that our college NSS unit organized a WOMENS DAY CELEBRATION in our campus on 08-03-2020. In this program our college staff and students have actively participated. The goal of celebrating Women's Day - devoted to celebrating the achievements of women and seeking gender equality.
