

HUMAN VALUES AND PROFESSIONAL ETHICS

7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

NSAKCET College organizes activities in the neighbourhood community that sensitizes students towards community issues, gender disparities, social inequity, etc., and inculcate social values and commitment to society. The said domains of activity include *obligations: values, rights, duties and responsibilities of citizens*, Social and Community service, public health and safety and Environmental protection

Rights, duties and responsibilities:

- Our institution conducts many activities for the betterment of the neighbourhood communities in addressing their social issues. Activities for being responsible citizens of country in the knowledge of constitution, NSAKCET – NSS volunteers and Program Officer in the programs, well-organized efforts such as Blood Donation Camp, was organized by NSS unit of NSAKCET , Awareness Programmes, on Crime against women, and etc.
- The students feel a responsibility and believe that they need to give back to society and the environment what they have taken by doing community service through College organized Blood Donation camp every year to support Sickel cell patient and needy person.
- The students of NSAKCET organize women’s day celebrations to honour and respect the women staff in the college. Institution organized the women’s day program, the goal of the program was to identifying, and celebrating and increasing visibility of women's achievements that can help forge equality.
- Conducting the women Empowerment scheme to support women, schemes that focus on women and aims to provide them with their due social dignity and ensure ways of earning.
- Eye Check-up camp was conducted in our college premises on the 11th of July. A team of Eye Specialist visited the campus to perform eye check-ups for the students and the staff. The camp was advantageous for the students as they are introduced to the various aspects of Eye-care. The team of doctors are well equipped with eye examination tools

to perform eye check-ups effectively. The aim of this event is to spread awareness on eye disorders, errors and eye ailments among the participants.

- Traffic Awareness programme is organized in collaboration with Traffic Police where the requisite traffic hazards are taught.
- Free Dental Check-up Camp was organized by Bright Smile Doctors in the college It was utilized by most of the students and faculty members among others and neighbourhood community

Besides these societies, each department conducts Seminars, Workshops, Talks, Donation Drives, Field trips, etc. to sensitize students and most teachers work towards inculcating these values in their classroom teaching and as living examples.

Active involvement of students in all the above activities shapes them into responsible human beings, conscious of the social issues and contributes for their holistic development.
