CIVIL DEPARTMENT

About the City

Hyderabad is the capital of southern India's Telangana State. A major center for the technology industry, it's home to many upscale restaurants and shops. Its historic sites include Golconda Fort, a former diamond-trading center that was once the Qutb Shahi dynasty capital. The Charminar, a 16th century mosque whose 4 arches support a winding minaret, is an old city landmark near the long-standing Laad Bazaar.

About the College

Nawab Shah Alam Khan College of Engg. & Tech (NSAKCET) has established under the aegis of MADRASA-I-AIZZA, a registered educational society way back in 1961. This college was started in 2008, represents a rich tradition of excellence in technical education. The College offers UG, PG and Diploma courses in the following disciplines.

| | |
|----------|---|
| UG(B.E.) | CSE, CSE (AI & ML), CSE(DS), CSE(IoT), CS, BT, IT, ECE, CEM.E |
| PG(M.E.) | CSE, CE (SE), ME (HVAC), ECE, EES |
| Diploma | ECE, CE, ME, EEE |

Highly-qualified and experienced faculty members, state-of-the-art facilities and the extensive industry-academia interaction all serve to make engineering education at NSAKCET campus a unique and enriching experience. The college also strives to provide educational opportunities to all aspiring youths and excel in life by developing academic excellence and building global competencies.

About the Department

Department of Civil Engg. has started in the year 2011. It is endowed with well qualified, experienced and dedicated faculty. Department offers B.E. in Civil Engg. with intake of 180 students and M.E. in STRUCTURES. It is one of the best Department in the College with excellent track record of placements. Department has collaboration with lot of industries and executed MOU with them.

Objective of the programme:

Our goal is to build awareness around the Mechanical properties and modelling of advanced concrete materials, Structural application and modelling of advanced concrete materials, Durability and sustainability, Concrete performance under extreme conditions

Topics:

- Development of novel concrete materials with high mechanical performance or special functionality
- Mechanical properties and modelling of advanced concrete materials
- Structural application and modelling of advanced concrete materials
- Durability and sustainability
- Concrete performance under extreme conditions

ECE DEPARTMENT

About the City

Hyderabad is the capital of southern India's Telangana State. A major center for the technology industry, it's home to many upscale restaurants and shops. Its historic sites include Golconda Fort, a former diamond-trading center that was once the Qutb Shahi dynastic capital. The Charminar, a 16th century mosque whose 4 arches support towering minarets, is an old city landmark near the long-standing Laad Bazaar.

About the College

Nawab Shah Alam Khan College of Engg. & Tech (NSAKCET) has established under the aegis of MADRASA-I-AZZA, a registered educational society way back in 1961. This college was started in 2008, represents a rich tradition of excellence in technical education. The College offers UG, PG and Diploma courses in the following disciplines.

| | |
|----------|--|
| UG(B.E.) | CSE, CSE (AI & ML), CSE(DS), CSE(IoT), CS,BT,IT,ECE,CE,ME. |
| PG(M.E.) | CSE,CE(SE),ME(HVAC),ECE(ES) |
| Diploma | ECE, CE,ME,EEE |

Highly-qualified and experienced faculty members, state-of-the-art facilities and the extensive industry-academia interaction all serve to make engineering education at NSAKCET campus a unique and enriching experience. The college also strives to provide educational opportunities to all aspiring youths and excel in life by developing academic excellence and building global competencies.

About the Department

The Department of Electronics & Communication Engineering was established in the year 2007 with an intake of 120. Subsequently, the intake has increased to 180. The department has well-equipped laboratories and committed and experienced faculty members.

Ever since its inception, the department has been imparting quality education to the students. It has been organizing guest lectures by eminent speakers from industry and prestigious institutes to equip the students with the latest technologies and make them globally competitive. The department has a student technical association, which organizes events such as paper presentations, hardware exhibitions, technical quizzes, etc. to improve technical and soft skills of the students.

About the City

Hyderabad is the capital of southern India's Telangana State. A major center for the technology industry, it's home to many upscale restaurants and shops. Its historic sites include Golconda Fort, a former diamond-trading center that was once the Qutb Shahi dynasty capital. The Charminar, a 16th century mosque whose 4 arches support towering minarets, is an old city landmark near the long-standing Laad Bazaar.

About the College

Nawab Shah Alam Khan College of Engg. & Tech (NSAKCET) has established under the aegis of MADRASA-I-AZZA, a registered educational society way back in 1961. This college was started in 2008, represents a rich tradition of excellence in technical education. The College offers UG, PG and Diploma courses in the following disciplines.

| | |
|----------|--|
| UG(B.E.) | CSE, CSE (AI & ML), CSE(DS), CSE(IoT), CS, BT, IT, ECE, CE, ME |
| PG(M.E.) | CSE, CE, SE, ME (HVAC), ECE (ES) |
| Diploma | ECE, CE, ME, EEE |

Highly-qualified and experienced faculty members, state-of-the-art facilities and the extensive industry-academia interaction all serve to make engineering education at NSAKCET campus a unique and enriching experience. The college also strives to provide educational opportunities to all aspiring youths and excel in life by developing academic excellence and building global competencies.

About the Department

The CSE Department of GNIT was started in the year 2008 with an intake of 60 students.

Currently the Department offers an under-graduate program (B. Tech) in Computer science and engineering with an intake of 180 students and post graduate program (M. Tech) in computer science and engineering with an intake of 18. The department has highly qualified faculty members with minimum M. Tech qualification in Computer science and engineering, Computer Technology and Software Engineering. Department of CSE is committed to impart Technical and Research based quality education and to develop innovative skills among the students and to enrich the academic activities through continual improvement in the teaching and learning processes. The department also focuses on infusing confidence in the minds of students and to develop them as entrepreneurs.

Objective of the programme:

Our goal is to know the Concepts of the Managing electronic medical record (EMR) data, Protection of healthcare data, Personal health record data management, Point-of-care genomics management, Electronics health records data management

CSE DEPARTMENT

About the City

Hyderabad is the capital of southern India's Telangana State. A major center for the technology industry, it's home to many upscale restaurants and shops. Its historic sites include Golconda Fort, a former diamond-trading center that was once the Qutb Shahi dynastic capital. The Charminar, a 16th century mosque whose 4 arches support towering minarets, is an old city landmark near the long-standing Laad Bazaar.

About the College

Nawab Shah Alam Khan College of Engg. & Tech (NSAKCET) has established under the aegis of MADRASA-I-AIZZA, a registered educational society way back in 1961. This college was started in 2008, represents a rich tradition of excellence in technical education. The College offers UG, PG and Diploma courses in the following disciplines.

| | |
|----------|--|
| UG(B.E.) | CSE, CSE (AI & ML), CSE(DS), CSE(IoT, CS, BT), IT, ECE, CEM, E |
| PG(M.E.) | CSE, CSE(SE), ME(HVAC), ECE(ES) |
| Diploma | ECE, CEM, EEE |

Highly-qualified and experienced faculty members, state-of-the-art facilities and the extensive industry-academia interaction all serve to make engineering education at NSAKCET campus a unique and enriching experience. The college also strives to provide educational opportunities to all aspiring youths and excel in life by developing academic excellence and building global competencies.

About the Department

The CSE Department of GNIT was started in the year 2008 with an intake of 60 students. Currently the Department offers an under-graduate program (B. Tech) in Computer science and engineering with an intake of 180 students and post graduate program (M. Tech) in computer science and engineering with an intake of 18. The department has highly qualified faculty members with minimum M. Tech qualification in Computer science and engineering, Computer Technology and Software Engineering. Department of CSE is committed to impart Technical and Research based quality education and to develop innovative skills among the students and to enrich the academic activities through continual improvement in the teaching and learning processes. The department also focuses on infusing confidence in the minds of students and to develop them as entrepreneurs.

Objective of the programme:

Our goal is to get the knowledge regarding Artificial intelligence., Data science., Computer science., Mathematics, Statistics., Data mining., Deep learning, Natural Language Processing

Topics:

- Artificial intelligence.
- Data science.
- Computer science.
- Mathematics.
- Statistics.
- Data mining.
- Deep learning.
- Natural Language Processing.

Nawab Shah Alam Khan College of
Engineering & Technology

Organized by

MECHANICAL DEPARTMENT

About the City

Hyderabad is the capital of southern India's Telangana State. A major center for the technology industry, it's home to many upscale restaurants and shops. Its historic sites include Golconda Fort, a former diamond-trading center that was once the Qutb Shahi dynastic capital. The Charminar, a 16th century mosque whose 4 arches support towering minarets, is an old city landmark near the long-standing Laad Bazaar.

About the College

Nawab Shah Alam Khan College of Engg. & Tech (NSAKCET) has established under the aegis of MADRASA-I-AIZZA, a registered educational society way back in 1961. This college was started in 2008, represents a rich tradition of excellence in technical education. The College offers UG, PG and Diploma courses in the following disciplines.

| | |
|----------|--|
| UG(B.E.) | CSE, CSE (AI & ML), CSE(DS), CSE(IoT), CS, BT, IT, ECE, CE, ME |
| PG(M.E.) | CSE, CE (SE), ME (HVAC), ECE (ES) |
| Diploma | ECE, CE, ME, EEE |

Highly-qualified and experienced faculty members, state-of-the-art facilities and the extensive industry-academia interaction all serve to make engineering education at NSAKCET campus a unique and enriching experience. The college also strives to provide educational opportunities to all aspiring youths and excel in life by developing academic excellence and building global competencies.

About the Department

Department of Mechanical Engineering is an ancillary Department serving the main Engineering Departments. The Department handles Engineering Graphics for I/IV B-Tech students. The Department deals with the subjects of Operations Research, Research Methodology, Engineering Mechanics, Material Science, Management Science and Engineering Workshop Lab.

Coordinator,
IQAC Cell

Nawab Shah Alam Khan College of
Engineering and Technology
Hyderabad.

Objective of the programme:

Our goal is to get the awareness about the Fluid Mechanics and Machinery, Manufacturing Methods, Strength of Materials, Engineering Thermodynamics, Heat Transfer and Combustion, Automotive Petrol Engines, Engineering Analysis and Numerical Methods, Automotive Design Engines.

Topics:

- Fluid Mechanics and Machinery.
- Manufacturing Methods.
- Strength of Materials.
- Engineering Thermodynamics.
- Heat Transfer and Combustion.
- Automotive Petrol Engines.
- Engineering Analysis and Numerical Methods.
- Automotive Design Engines.

Nawab Shah Alam Khan

COLLEGE OF ENGINEERING & TECHNOLOGY

BE: CE,ME,EEE,ECE,CSE,IT – ME: CSE, Embedded Sys, Structural, HVAC – Polytechnic: CE,ME,EEE,ECE

Approved by AICTE | Affiliated to OU | Accredited by NAAC | Permitted by Govt. of TS | Included in 2F UGC

Certificate of Participation

This is to Certify that Dr./Prof./Mr./Ms./ Md Naser Ahmed has participated in the *Three Days Faculty Development Program on “Challenges & Opportunities in Automobile Engineering”* on *04th Mar 2019 to 06^h Mar 2019*. Organized by Department of Mechanical Engineering, Nawab Shah Alam Khan College of Engineering & Technology.

PROGRAM REPORT

Date: 12-10-2018

NAME OF THE PROGRAM:

A 3 Days FDP Conducted on **CHALLENGES & OPPORTUNITIES IN AUTOMOBILE ENGINEERING**

DETAILS OF RESOURCE PERSON:

1. Dr. Syed Fahad Anwer,
Professor, Dept of Mech Engg.
AMU Aligarh.
2. Prof Dr. Kunwar Laiq A Khan,
HOD, Dept of Mech Engg.
KIET Ghaziabad.
3. Dr. Syed Mujahed Hussaini
HOD and Professor
NSAKCET Hyderabad

OBJECTIVES OF PROGRAM:

Our goal is to get the awareness about the Fluid Mechanics and Machinery., Manufacturing Methods, Strength of Materials, Engineering Thermodynamics, Heat Transfer and Combustion, Automotive Petrol Engines, Engineering Analysis and Numerical Methods, Automotive Design Engines

Coordinator
IQAC Cell
Nawab Shah Alam Khan College of
Engineering and Technology
Hyderabad.

PRINCIPAL
Nawab Shah Alam Khan
College of Engineering & Technology
New Malakpet, Hyderabad-500024.

TOPICS COVERED:

Fluid Mechanics and Machinery.
Manufacturing Methods.
Strength of Materials.
Engineering Thermodynamics.
Heat Transfer and Combustion.
Automotive Petrol Engines.
Engineering Analysis and Numerical Methods.

Automotive Design Engines

OUTCOMES OF PROGRAM:

The Program taught about the Fluid Mechanics and Machinery., Manufacturing Methods, Strength of Materials, Engineering Thermodynamics, Heat Transfer and Combustion, Automotive Petrol Engines, Engineering Analysis and Numerical Methods, Automotive Design Engines.

NUMBER OF PARTICIPANTS: 45

NAME OF PROGRAM CONVENER:

Dr. Zahir Hasan,

Professor, Mech Engg. Dept,

Director (R & D), NSAKCET, HYD.

Mobile: 9559535257.
