A AUTODESK.

Dear Ameir Mohsin,

Dear Ameir Mohsin,

SAVE AND PRINT THIS EMAIL. IT IS YOUR RECORD OF LICENSING RIGHTS TO USE YOUR AUTODESK SOFTWARE.

An Educational Multi-seat Stand-alone Licence for AutoCAD Design Suite Ultimate 2016 has been issued to NAWAB ulah Khan College of engineering and technology—Mechanical, Hyderabad. This licence has a 3-year term and authorises installation on up to 1,250 devices.

You need the following product key and serial number to activate the software:

Product Key: 769H1 Serial Number: 559-88337841

When you install each product, you will enter this serial number and product key. The first time you start the program, you will be prompted to activate your license. Activation of a current version educational license includes an order for Maintenance Subscription at no cost to your educational institution. You will be notified of how to access these benefits typically within 2 days after activation.

Note: The Autodesk ID used to register the product becomes the Contract Manager for your educational institution's Maintenance Subscription account. If all the Autodesk software for your educational institution is centrally managed, be sure to use the same Autodesk ID to register all software. Some educational institutions may prefer to have different Contract Managers for each department. In that case, the department should use the Autodesk ID that initially registered software for that department.

For more information:
